

THE CARYTOWN FARMERS MARKET COVID-19 POLICIES

The Carytown Market has transitioned to a **pre-order and limited on-site shopping** experience due to the COVID-19 outbreak. **Starting May 24**, we will open the market with our normal operating hours between **9:00 AM to 1:00 PM at City Stadium**, 3201 Maplewood Avenue. The first few markets will be set up in the parking lot while the Kickers finish construction inside the stadium.

The Carytown Market stresses the **preferred option of pre-ordering** as the most effective way to keep you and our vendors healthy. We have partnered with Lu Lu's Local food to **provide a shopping portal** to connect customers and market vendors.

Pre-ordering reduces the person to person point of sale that would typically take place at the market. No cash or cards are changing hands and customers are not browsing through product as it sits out in the open. Customers who pre-order pick-up and senior citizens will be given access to market during the first hour.

9:00Am – 10:00 AM Senior citizens and Pre-order pick-up only
10:00 AM – 1:00 PM Limited on-site shopping and Pre-order pick-up

The market is following a **no-touch model** for customers.

Vendors will have tables set up in front of their tents displaying samples of their merchandise.

Customers will convey the quantity of the item they wish to purchase and will receive the items from the vendor.

Customers will only be allowed to enter the market at the entrance and leave through the designated exit. There will be a limited number of wagons available to assist customers with transporting purchases to their car.

THE CARYTOWN FARMERS MARKET COVID-19 POLICIES
